O R D E R

Kurian Joseph, J.

These petitions are for clarification regarding cost. It is true that we have not mentioned anything regarding cost. The Court actually meant that in view of the interest at the rate of 15% that is being given to the claimants for the last several years and that the matters have been pending before the Court, we do not intend to award the cost. Hence, it is clarified that appellants are not entitled to the cost.
